

WHAT IS SHOP SMALL?

The following information is from the American Express Small Business Saturday website at:
www.americanexpress.com/us/small-business/shop-small/

Shop Small is about more than just shopping at small businesses. It's a cause that helps to support local economies and promote vibrant, diverse communities. It's also a nationwide movement fueled by shoppers, business owners, and organizers who come together and celebrate the community because they know it matters.

WHAT IS SMALL BUSINESS SATURDAY?

It's an annual shopping tradition dedicated to supporting small businesses and celebrating communities across the country. Founded by American Express in 2010, Small Business Saturday is celebrated every year on the Saturday after Thanksgiving. This year, you can get out and support the places you love with the people you love on Nov 25.

WHY PARTICIPATE IN THE SHOP SMALL MOVEMENT?

Small businesses play a key role in helping communities thrive. By shopping or dining at your favorite local places throughout the year, you're showing your support for small businesses and making a positive impact in your community.

In support of the American Library Association's initiative to participate in Small Business Saturday®, our library will serve as a Neighborhood Champion. Our goal as Neighborhood Champion is to promote and advocate for small businesses in Villa Park.
