\*NOT A SCHOOL-SPONSORED ACTIVITY

## JUNE 5- AUGUST 9

Mondays, Wednesdays, and Fridays

### Summer Lunch & Movie @ the Library! • 11:30am-12:30pm

No school means no lunches for many children throughout our community. The library is partnering with the Northern Illinois Food Bank to provide free summer lunches for children under the age of 18. This program is offered at no cost to the Villa Park Public Library and its patrons.

## JUNE 8

### Wonderful Wacky Juggling Show! • 11-11:45am

Andy Head, two-time national champion juggler, presents a whizbang show of juggling, comedy, and audience participation that is not to be missed!

## JUNE 14

### Getting Excited About Science! • 2-3pm

Steve Belliveau uses humor, music, and audience participation to demonstrate how concepts like air pressure, magnetism, and electricity work!

## JUNE 20

### Dave DiNaso's Traveling World of Reptiles • 11am-12:15pm

This family-friendly reptile show is up-close, live, and extremely hands-on. Dave DiNaso showcases a variety of exotic reptiles and amphibians and tells all about them!

## JUNE 27

### The Great Boodini in SPACE! • 11am-12pm

It's an out-of-this-world magic show! See lasers, an 8 foot tall walking talking robot, LED glow-in-the-dark juggling, a Super Bubble demo, and more!

## JULY 6

### Mr. Freeze! • 3-4pm

Be amazed! "Mr. Freeze" is Jerry Zimmerman, who brings us a fascinating show all about supercooling featuring liquid nitrogen and more.

## JULY 21

### Brookfield Zoo Talks: Primates Around the World • 10:30am-11:30am

Brookfield Zoo staff talk about the amazing primates around the world! Where do they live, and how do they survive in the wild?

## JULY 27

### Incredible Bats! • 11:30am-12:30pm

Come and see real bats! Learn all about the life of bats and how they survive in the world. This is a rare chance to see live bats up close!

## AUGUST 5

### Summer Reading Finale 2017 • 2-4pm

All ages, under 8 with an adult

Say goodbye to summer reading with an afternoon of fun. Activities will include a balloon artist, temporary tattoos, and hands-on science exhibits on loan from Fermilab. Don't miss the magic show at 3pm! Attendees will receive a special surprise while supplies last.
