

# PLEASE NOTE:

**We anticipate closing the library on Tuesday, March 26th for three (3) weeks while staff work on relocating collections, materials, and services in the new building addition and the library's roof is replaced.**

- Programming will continue off-site.
- No materials will be due during this time. All due dates during this closure will be extended to April 17.
- The bookdrop will remain open for you to return library materials.
- Though we will not be filling holds for pick-up, you will retain your place in the hold queue. Your holds will be filled after we re-open.
- You may also change your hold pickup location to any of our neighboring SWAN libraries. If you need assistance with this, please ask a staff member in advance of the closing.

**For updates, please visit our website at: [www.vppl.info](http://www.vppl.info) or follow us on social media.**
