

214 / Board of Trustees

Statement of Economic Interests

Members of the Library Board fill out and submit to the County Clerk's office, annually, when requested, a Statement of Economic Interests.

In keeping with the intent of this statement, the trustees should at all times avoid approving expenditures for or making other commitments with vendors with whom the trustees have any association or relationship which could actually result – or even be construed to result – in personal gain.

Approved 08/25/1993
