

## **566 / Building Use**

### ***Noise Level Zones***

The Villa Park Public Library is committed to providing spaces that reflect the diverse needs of our users. In order to provide an environment that is conducive to quiet study, reading and collaboration, the library is divided into noise level zones.

It is required, in all zones, that mobile devices should never be loud enough to disturb other people.

**SILENT ZONE:** In this zone, only silent, independent reading and study is allowed. Users must have their mobile devices off or on silent and may not converse. Library Silent Zone: Second Floor Reading Room.

**QUIET ZONE:** In this zone, users may have quiet conversations. Cell phones should be on vibrate. Electronics may be used with earbuds or headphones. Library Quiet Zones: First floor Youth book and audiovisual areas, second floor book and audiovisual areas.

**TALK ZONE:** In this zone, users may converse at a moderate volume, have quiet cell phone conversations, and work collaboratively. Electronics may be used with earbuds or headphones. Library Talk Zones: First floor lobby, early childhood area, computer area, desk area, tween area, and study rooms; Second floor service desk, computer and study area, teen area, group collaboration room, digital service lab, and study rooms.
